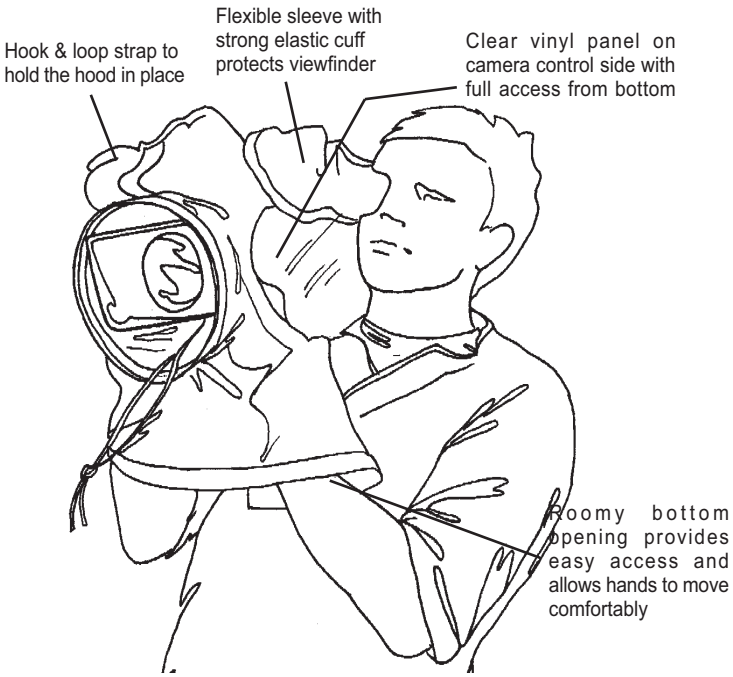
RAIN COVERS

FOR FULL SIZE CAMCORDERS



Hook & loop strap to hold the hood in place
Flexible sleeve with strong elastic cuff protects viewfinder
Clear vinyl panel on camera control side with full access from bottom
Roomy bottom opening provides easy access and allows hands to move comfortably

RC-1*

ORDER CODE KT / VA-801-1				Wt. 0.99 lbs 0.45 Kg

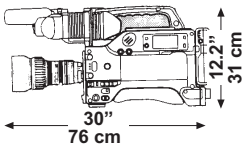
The Rain Cover with its unique design is fabricated from waterproof material with a crystal clear vinyl panel on the camera's control side. The cover slips quickly over a camera to protect it from sudden showers and is secured by a quick pull of the fore and aft drawstrings. A stiff polypropylene hood shields the lens, while the viewfinder is protected by a flexible sleeve with a strong elastic cuff.
The Rain Cover successfully protected equipment during severe weather conditions. The Rain Cover id designed for efficiency down to the smallest detail.

MATERIALS

- Crystal clear vinyl window
- High density dense nylon fabric, treated with 3 layers of PU component coating
- Polypropylene shield
- Fastex-ITW® nylon or acetal buckles

DIMENSIONS

Maximal dimensions of camera and accessories that fit in RC-1:



SPS*

ORDER CODE KT / VA-801-SPS				

KATA's **SPS** Sungun Protective Sleeve is a modular hood designed to protect various sized mini-lights when working in the rain. Made with an inner layer of Aramid weave the SPS is heat resistant.

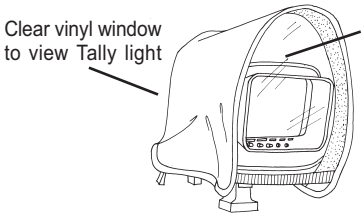
RC-5" VFP*

ORDER CODE KT / VA-820-101				

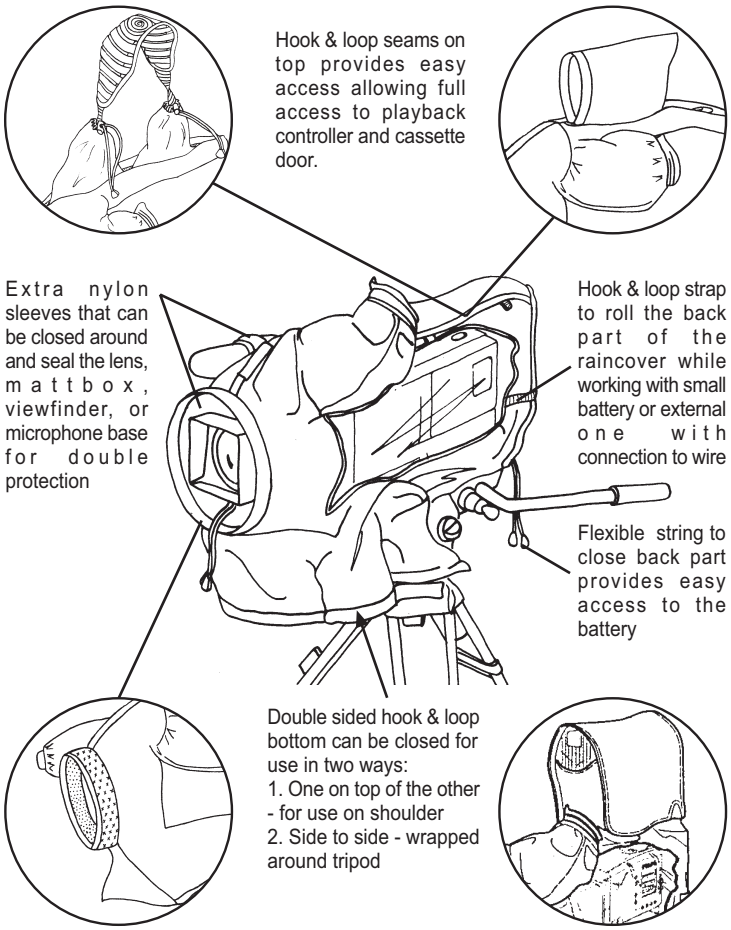
RC-5" VFS*

ORDER CODE KT / VA-820-102				

KATA's RC-5"VFP (Philips) and RC-5"VFS (Sony) is designed to protect the VF mounted on the camera against rain, dust and sun (**can be added to RC-1, 10**).
The rounded shape of the RC's roof directs the rain to the sides and the extra length protects against dampness from below or from the sides.



***SOLD SEPARATELY**



Two modular removable sleeves enable the extraction of Shoulder Strap, wireless antenna, viewfinder* etc.
SPS Sungun Protective Sleeve, can be easily added and adjusted **(sold separately)**
Hook & loop seams on top provides easy access allowing full access to playback controller and cassette door.
